

**REMARKS**

Applicant's attorney regrets any problems caused by the last amendment. By this amendment, claims 10, 29 and 30 have been made to depend on claim 1. Claim 10 is the only species left in this case. Accordingly, the species of claim 10 is selected and all the other claims now in the case are generic.

If there are any further problems, Applicant's attorney would appreciate a telephone call to resolve any issues.

In view of the foregoing, it is believed none of the references, taken singly or in combination, disclose the claimed invention. Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,
